Term 2 Week 2 Principals Update — Rob McArdle

Dear GHPS Families,

Welcome back for term 2. We've had a pleasing start to the term after the difficulties and disruptions experienced across term 1. It was great welcoming students back last week and hearing about all of their wonderful holiday adventures. Term 2 is already shaping up to be a busy 10 weeks as we endeavour to get back to a more normal state of operations and events recommence. The term 2 planner can be found [here](#) for important dates and events.

Kindergarten Enrolments 2023

2023 Kindergarten enrolments are now open with families encouraged to complete and submit [enrolment forms](#) as soon as possible to secure a place for 2023. Enrolment forms can be downloaded from our [website](#), or collected from our front office. For further information about our early childhood program, and to download our 2022 Kindergarten Handbook, click [here](#).

On Monday 20th June, we will be holding a Kindergarten information session to welcome new and existing families, and provide information about the Kindergarten program at GHPS. A time will be set and communicated over the next couple of weeks.

Breakfast Club

Our amazing breakfast club volunteers Pat and Mike Forrest do a sensational job each week of providing breakfast to 80 plus students. After their years of volunteer service at GHPS, they will be retiring at the end of term 2. Pat and Mike have carried out this role as representatives of Eaton / Millbridge Lions Club, with other breakfast club volunteers coming before them. Unfortunately, Lions Club no longer have the volunteer capacity to continue supporting the GHPS breakfast club.

To ensure this important program continues, we are seeking expressions of interest from any willing volunteers eager to see breakfast club continue at GHPS. If interested, please contact the school for further information.

School Board

The GHPS School Board meets this Tuesday to continue its focus on the governance and direction of our school. At present, we have two parent vacancies needing to be filled. Joining the School Board is a wonderful opportunity to contribute to the wider strategic direction at GHPS, and be a part of our ongoing improvement focus.

Information about our school board can be found on our [website](#).

NAPLAN

NAPLAN testing commences for all year 3 and 5 students Tuesday next week. NAPLAN is a series of online assessments designed to assess literacy and numeracy understanding and skills. NAPLAN is carried out across weeks 3 and 4, allowing for adequate time to complete the assessment program. Please do not hesitate to speak to your child's teacher for any further information about NAPLAN.

P&C Meeting

The P&C are holding their AGM this coming Monday, 9th May at 3:30pm. In person and online attendance options are available for this meeting. For further information, please visit the P&C Facebook page.

P&C are also hosting a Mother's Day afternoon tea today at 2:40pm in celebration of Mother's Day this weekend. Please stay behind after school and join in the celebrations.

COVID-19

The management of COVID-19 has decreased considerably with the relaxation of a number of restrictions. Please continue to notify the school if testing positive, or your child is a close contact of a positive household member.

Past Newsletters

Past newsletters can be found [here](#) on our website for those wishing to access previous editions.

Have a great weekend, especially everyone celebrating Mother's Day this Sunday. I hope you all get spoiled and have a wonderful, relaxing day.

Premier's Reading Challenge

Join the adventure!

We encourage you to join us in unlocking the wonderful world of reading for your children. Help them to join the Premier's Reading Challenge. Will they fly above the clouds, dive into the ocean or jump into a rocket ship? All students from Kindergarten to Year 10 are challenged to read 12 books by 9 September 2022.

You can help your children sign up via the website, choose their own avatar and log all the books they read over the course of the Challenge. Weekly prizes will be awarded to students who log a book that week, with major prizes drawn when the challenge ends.

Books don't have to be in English – children are encouraged to read books in their first language.

There are extraordinary tourism prizes to be won each week.

At times all parents feel lost or without a clue about what our child might need from us. Imagine what it might feel like if you were able to make sense of what your child was really asking from you. The Circle of Security® Parenting™ program is based on decades of research about how secure parent-child relationships can be supported and strengthened.

Learning Objectives of the Training:

- Understand your child's emotional world by learning to read their emotional needs
 - Support your child's ability to successfully manage emotions
 - Enhance the development of your child's self esteem
 - Honor your innate wisdom and desire for your child to be secure
