Re: Voluntary Contributions and Charges Information for 2023

The GHPS board and school executive have reviewed and endorsed the schedule of voluntary contributions and charges for 2023. The charges schedule is divided into sections allowing you to calculate all costs that may be incurred throughout the school year for your child/children. Voluntary Contributions for 2023 can be paid with your child's Personal Items List (PIL) – Booklist. See below for other payment options.

1. Voluntary Contributions 2023

In 2023 our Voluntary Contribution will be **\$50.00** per child.

Money collected will be used to supplement school expenditure in the areas listed below. The actual costs per child are shown in the table beneath. While contributions are voluntary the quality of our teaching and learning programs will be maximised when each family makes their contribution. Your Voluntary Contribution supplements funding from other sources, including grants from the State and Commonwealth Governments. **In 2023 the Voluntary Contribution can be made at the same time you pay your Personal Items List (PIL) through Champion Education. Campion will re-direct voluntary contributions to GHPS.**

The charge for personal items used in the Education Program will vary from student to student and includes requirements for all students used in lessons e.g. stationery items, calculator, etc.

For 2023, our preferred PILs supplier is **Campion Education**. To assist families with the purchasing of PILs, we have arranged for Campion Education to provide the following:

1. Parents / Guardians can opt to pay the one off, bulk purchase fee so that all consumable items (pens, pencils, scrapbooks etc.) are packaged and delivered to the school prior to the new school year commencing.
2. Purchase items on the personal inventory list at a location of choice.

3. Optional Charges for Extra Curricular Activities in 2023

A breakdown of estimated charges for your child/children's participation in excursions, incursions and activities for 2023 has been included in the **Charges Schedule** below. **Students will only incur costs if you choose to involve your child in a particular activity.** The amounts indicated on the schedule represent the **maximum** projected charge for scheduled activities in 2023. Parents are advised in writing of the exact cost prior to the activity, which cannot exceed the amount specified in this Schedule.

The Table of Charges below includes costs for:

- Learning activities available to **all** students. e.g. incursions, excursions, interm swimming etc. Payment is required prior to the event for your child/children to participate in excursions, incursions, events, activities etc. Your class teacher will advise you of activities by letter.
- Learning activities available to **selected** students. e.g. Instrumental Guitar, PEAC (Primary Extension and Challenge Program): Children who have accepted a place in PEAC are required to pay for course charges, directly to the host school. Students selected to participate in the year 5 and 6 Guitar Program are required to purchase a guitar (approx. \$100), guitar lesson books. There is no charge for Instrumental Guitar, tuition is paid by the Department of Education.
